

Allen Manufacturing, Inc.

Lewiston, Maine - USA

Allen Manufacturing, Inc., a 45 year old Maine company, is a diversified facility offering services to both the private and public sectors. With customers as large as Toyota and QVC and as small as home based businesses, Allen Manufacturing can reduce your cutting, stitching and assembly costs and increase your efficiencies.

Allen Manufacturing, Inc. is one of the most trusted contract cutting, stitching and assembly companies in the country. Since its founding, the company's distinguished reputation has been built on its founding philosophy of quality workmanship and fair pricing standards. With relationships built on delivering top quality products on time and on budget, it is no wonder that so many diverse companies use Allen Manufacturing as their contractor of choice.
